These photos document the recovery of a horribly neglected dog named Henry. If you are not comfortable viewing these images [click here to return to the main article](#). Henry was found on streets of downtown Los Angeles with his neck torn open. Thanks to the efforts of many caring individuals he is now well on his way to recovery. [Read his full story](#).

Here they are:

After 1st procedure...

Midway through healing—developing granulation bed.

About 80% there...

Amazing! Home stretch!
