

A certain [dress](#) has created massive waves on the social media circuit. The question still stands- is it white and gold or blue and black? Harley and I decided to have a little debate on the topic. As you'll see Harley disagrees with me but for different reasons than you might have thought...

To learn more about the myth of dogs being colorblind, [read Dr. Ernie Ward's article](#) about a new study suggesting dogs can see certain colors!

*If you have any questions or concerns, you should always visit or call your veterinarian - they are your best resource to ensure the health and well-being of your pets.*
