If you have any questions or concerns, you should always visit or call your veterinarian -- they are your best resource to ensure the health and well-being of your pets.

As many of you know, Jurassic World opened last weekend and has created a frenzy over the internet, including a fantastic parody video that I can't get enough of (see Jurassic Weenie below). Of course there's no shortage of great parody videos. Here are some of my favorites for your viewing pleasure.

1. Jurassic Weenie

This video by [Anna Schatte](#) makes me think Dachshunds might be scarier than Dinosaurs!

2. Call me Corgi

[The Pet Collective](#) took on Carly Rae Jepsen's Call Me Maybe and came up with this brilliant version.

3. Indiana Bones

Video by [FinalCutKing](#) tells the tale of the adorable Indiana Bones who's looking for his lost bark. Ladies and gentlemen, I present to you: Indiana Bones: Raiders of the Lost Bark.

4. Catzilla

This video by [WeAreMishMish](#), shows us what it would be like if cats took over the world (as if they haven't already).

5. Tennis Ball

[The Pet Collective](#) is at it again, this time remaking "Wrecking Ball," by Miley Cyrus. *I keep on chasing tennis balls!*
